Change of Company Logo

Luxe Gifts South Africa continues to provide the outstanding services you have come to know and trust. However, we have rebranded and Luxe Gifts South Africa is now become Silver Stream Studio.

We are pleased to inform you of a significant milestone in our company's journey. Due to the continued growth and expansion of our business, we have transitioned from a sole proprietorship to a registered private company. This change is a testament to our commitment to providing you with the highest quality of service and our dedication to continuous improvement.

Luxe Gifts South Africa has officially rebranded to **Silver Stream Studio**. This exciting transformation reflects our growth, modernization and our unwavering commitment to delivering exceptional service.

Along with these changes and as part of our brand alignment strategy, our company logo has changed.
